We are leaving Barnstable High as a ship leaves the safety of its harbor for the vastness of the ocean waters. The world is our ocean. We can go anywhere and do anything, but as we set out on our separate courses, we can look back at the pages of this book and remember our harboring days at Barnstable High School.

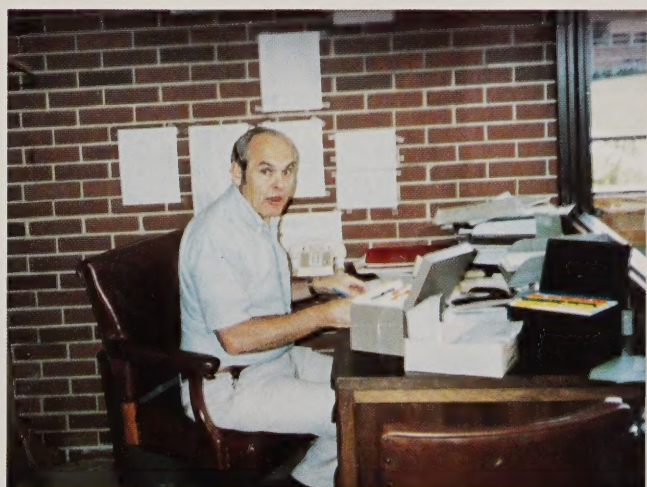

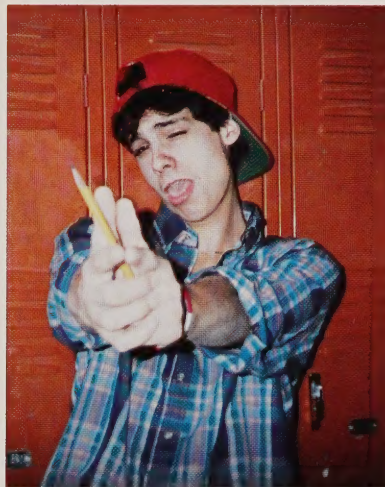

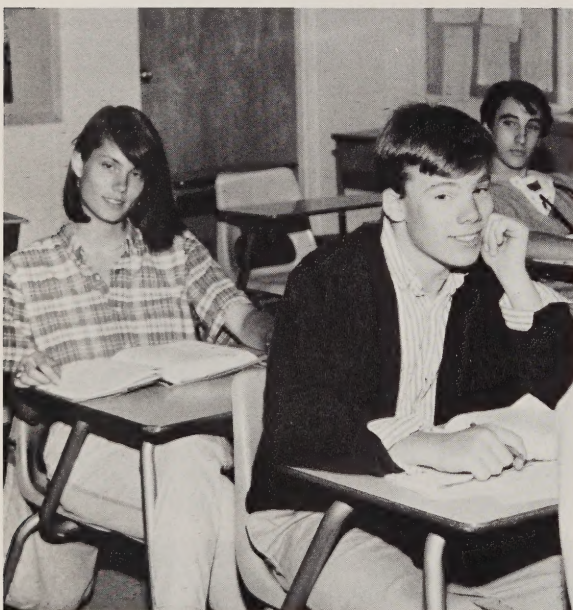

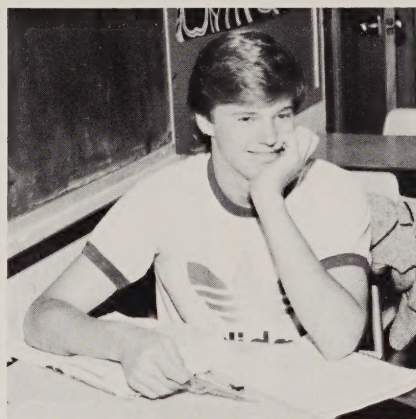

*"A ship in a harbor is safe, but that's not what ships are built for."*

# A Tribute to Dr. Wannie

When most of us think about Dr. Wannie, we picture a tall, stately man who greets students every morning as he stands in his reserved way by the main entrance. Dr. Wannie is the individual who works behind the scenes to keep everything at Barnstable High School running smoothly.

For the past thirteen years Dr. Wannie has acted as principal of the high school, creating an environment conducive to learning. Even before that Dr. Wannie served as assistant principal for seven years. His first experiences in education, however, began much earlier as a mathematics teacher in the Middle School.

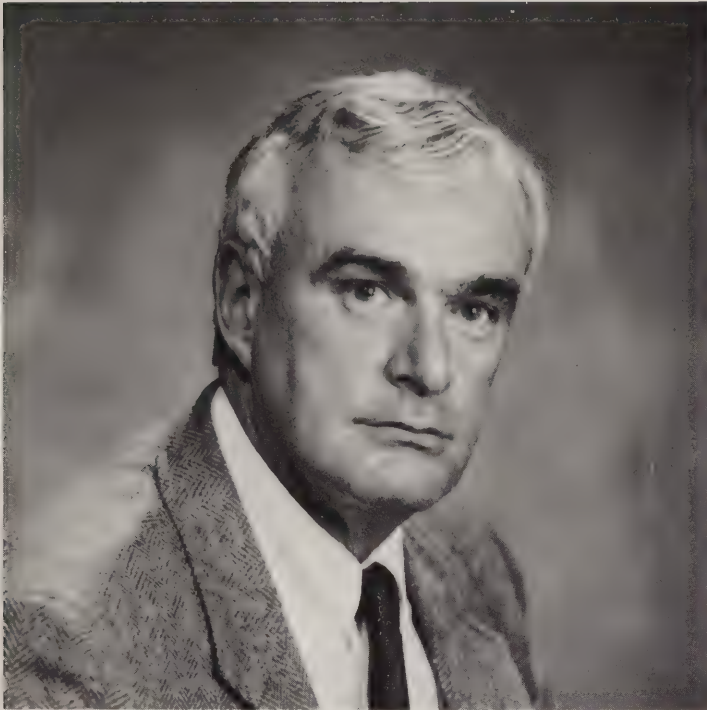

Now he divides his time between interviewing prospective teachers, meeting with parents, and addressing the various crises in a school day. Amidst all this Dr. Wannie still finds the time to stroll through the halls, overseeing school activities. Whether working behind the scenes or directing student life, Dr. Wannie's subtle presence is a vital part of Barnstable High School.

Dr. Wannie has contributed greatly to the school and community. Not only has he served as a teacher and administrator, but he has also helped to make Barnstable High School a fine educational institution. When he accepted the role of principal in 1973, Dr. Wannie took on an incredible challenge.

Thus, Dr. Wannie has guided our high school into the eighties, acting with quiet influence, yet inspiring great change. He will be remembered by the school and community as a man who answered the call to serve. For this we dedicate the 1987 Barnacle to him.

I can't believe it's already time to say goodbye. It seems like just yesterday we were freshmen. I thank all of my teachers for doing a great job, yes even Mr. O'toole! I'm hopefully entering the field of youth ministry. I love kids, and I feel that is where God would like me to be. I would like to get married someday, and live a quiet life close to nature. So I guess it's farewell to BHS. My short time here is through. May the Lord watch over the Class of '87 Wherever they may go.

First of all, I have to say thank you to all my dear friends, my host family, the AFS adult club and to the AFS club in school. I am having a great time! In July my year as an exchange student will be over but I'll keep this year in my mind for the rest of my life. As I say during soccer practice, I'm not good enough to start a career as a professional soccer player, so I'll definitely go to college in Switzerland, but's that's for sure; I will come back to Cape Cod.

## Powder Puff

# Senior Slammers Sail to Second Victory

The females of the class of '87 prevailed in this year's powder puff game, for the second straight year.

As the junior Jocquettes, they easily defeated the senior girls and geared up for the next year's game.

Although this year's game was more of a challenge than last year's, the Senior Slammers banded together to win the game with an 18-14 victory.

# JUNIOR MISS

The Junior Miss Program is a nationwide scholarship program for senior girls. Its aim is to reward those who excel in personality, poise, and promise. The Junior Miss Pageant is not a beauty contest; girls are judged on articulation, clarity of expression, ability to organize thoughts, scholastic achievement, physical fitness, creative and performing arts, and poise and appearance.

Junior Miss is an excellent opportunity for girls to get to know other girls in their graduating class. Junior Miss is such a rewarding experience because the girls know it isn't just the winners who win; each girl has been enriched by her participation.

**Top R:** Jennie Macallister and her proud father.

Dear Ones,

This has been a truly exciting year for our A.F.S. club. When Aysegul left in June, it was a very sad time for many of us. August came and brought Roger with it. We are so fortunate to have you with us this year, Roger.

Welcome home to our wandering A.F.S.'ers, Joe Amell (Australia), Tanya Chiarella (Finland), Andrea Fiset (Denmark), Melissa Katra (Paraguay), Wendy Hazard (Panama), Sara McGraw (W. Germany), and Ann Stephany (Japan).

To all of our seniors, I tell you from my heart, you will be sorely missed. A.F.S. has been greatly enriched by your participation.

# ART CLUB

The Barnstable High School Art Club has been an active organization for over twenty years. It has provided consistent service to the school. The club members have been participants in such events as the construction of parade floats, creating mosaics, drawing murals, painting faces, and decorating different business locations for various holidays.

In addition, the members have contributed their time and talents in painting nursing homes and convalescent centers, club members have raised funds to take field trips to museums in the Boston area, New York and Spain. Many sketching and painting trips have been taken throughout the Cape and Islands.

Most recently, the Art Club acted as host for an artist from Lithuania and Donated Student art works to be presented on Russian Television.

Advisor: Mr. Bolton. **Top, (L-R):** Bill Delande, Robin Cyxpoliski, Oliver Oberdorf, Eric Benton, John Lucas. **Bottom, (L-R):** Dominique DeCoste, Dennis Sullivan, Sarah Colpits, Jessica Lombardi, Maria Finglas.

# BARNSTABLE YOUTH ADVISORY COUNCIL

The B.Y.A.C. is a community service group under the guidance of Selectman Martin Flynn, other adults, and President Lisa George. The group, originally comprised of just a dozen members, has grown this year to include well over sixty members. Throughout the year, the group organizes many service programs such as Toys for Tots, and a Job Mart. One of the group's most well known events is Get High on Life Week, a series of carefully organized events that discourages the use of drugs. The group's dedication and willingness to work will continue to service our community.

## CODE CLUB

**Back Row, (L-R):** Bunni Golding, Mrs. O'Brien, Julie Rosengren, Jennifer Hancock. **Front Row, (L-R):** Golden Bryant, Dawn Cowie, Paul Adams.

Code Club is a community service organization under the direction of Mrs. Annette O'Brien. Code Club requires only one thing, a little time. The members of this group meet several times a year.

Code Club activities include: Halloween and Christmas parties, visiting the elderly, and collecting canned goods, eye glasses, and toys. We also provide refreshments for the National Honor Society's induction ceremony.

Being a part of Code Club is very rewarding, after all each of us will be in need at some point in our lives. More students should join and show that they care by giving just a little time and devotion to the homeless and needy of the world.

# HOMEROOM REPS

---

Senior Homeroom representatives pose for the camera in the pit.

Homeroom representatives play a very important part in keeping communication flowing from the class officers to the student body. From collecting class dues to reporting on activities such as dances, car washes, dog shows, and other fund raisers, the homeroom reps provide a valuable service for their class.

---

# FUTURE PROBLEM SOLVERS

---

The Gateway Program. The students in this group undertake innovative finding solutions to the problems our society may face in the uncertain future. They compete on the state and national level against students from other high schools.

**From L. to R.:** Freshman, Stephanie Shrum, and Seniors, Karen Donahue, Bridget Burger, and Noah Tratt.

# IMANI CLUB

Dear Imani Club members:

During the last three years, I have watched you grow and mature into fine young responsible students. I want to convey to you the following advice: Your future success depends on your ability to work and become productive. Educate yourselves to the best of your ability. Support your family and community; In these trying times the family has undergone too many trials and ordeals. Remember no man is an island, no man stands alone. Take these three things and go out and have a productive successful career. Until the next time.

# CHANNEL 22

---

**Back Row:** Andy Weiners and Tara Baukus. **Front Row:** Jon Caron, Jonathan O'Keeffe, and David Hinners.

Channel 22 is the television broadcast station of the Barnstable Public Schools. High school students produce a daily news program along with many additional features such as: sports, music, drama, faces in the crowd, and soon to be announced music videos."

The intention of the school system in using channel 22 is twofold. First, to be informative to all of our viewing audience about the happenings in our schools and second, to provide an outlet for those students interested in the communications field.

We are extremely proud to talk about former students now working and providing their skills from Channel 58 locally to Disney nationally.

# STUDENT COUNCIL

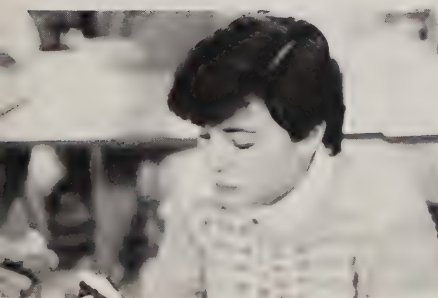

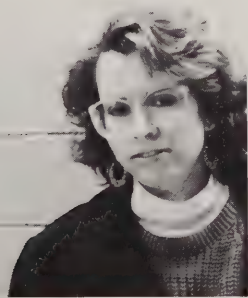

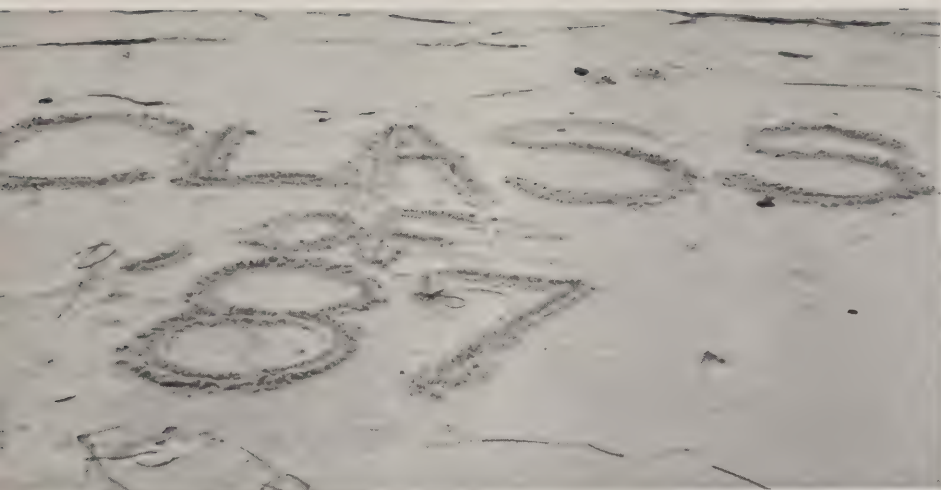

---

The BHS Student Council's main purpose is to keep communications open between the student body and administration. By talking directly with students, posting bulletin notices, etc., the Student Council represents the wants and needs of the students in school policies. Student Council consists of a governing board of students that works to form and change school policies so that students have a say in what takes place at BHS. As well as protecting the students' rights, Student Council also works with the community by volunteering their service to different types of fund-raising events.

Dear N.H.S. members,

It is with extreme pleasure that I have worked with you this year. Your exuberance, commitment, and competency have allowed us to realize great levels of achievement and satisfaction in virtually all our endeavors. Each individual has contributed in his or her own unique way, but none more so than our fine officers, Bridget Burger, Tara Schiffmann, Ann Marie Beals, and Katie Butler, and our tutoring chairperson, Amy Ostrokolowicz.

I commend you for your efforts and achievements and look forward eagerly to hearing of your future accomplishments. Good luck!

*Mrs. Graves*

## S.A.D.D.

Students Against Driving Drunk, better known as S.A.D.D., is an organization of Barnstable High School students who have the following goals: to educate students and their friends about the problems of drinking and driving, to show that students are willing to take responsibility for the safety of themselves and their friends, to cooperate with other like-minded organizations, and to develop peer counseling.

# SCHOOL STORE

---

The "Red Raiders Trading Post" is not only a store catering to the high school students, but it is also a stepping stone into the business world. The store is run by volunteers, under the supervision of Mrs. Johnson. These students are looking for an opportunity to step out into the business world while meeting the needs of B.H.S.'s students and staff.

# SKI & OUTING CLUB

---

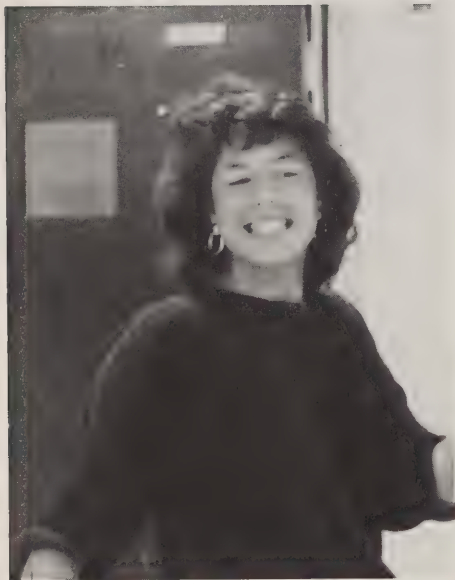

The members of the Ski and Outing Club.

The Ski and Outing Club, new and expanded this year, provides students with the opportunity to enjoy skiing as well as other outdoor activities such as cycling, hiking, rafting and camping. Outdoor activities occur during the fall and spring while the club focuses on skiing during winter months. Day trips to New Hampshire, overnight trips to Maine and Vermont, and week vacation trips to Colorado and Utah are common. Advisors Rob Miceli and Carole Davidson are committed to providing quality activities for all members.

Directed by Mr. Michael "Mick" Carlon and its four Editors-in-Chief, Stephanie Coull, Kathryn Hand, Steve Kijak, and Christine Sheedy, it prints a paper six times a year. The eight page paper is filled with news, editorials, and feature stories, all of which are written by either staff members or the fifty journalism students. Since the staff designs the entire paper themselves, it has given the students the opportunity to see what working on a real paper is like. In these past few weeks, it has won several prestigious awards from Suffolk University, Columbia University, and the Quill and Scroll Society.

# MARCHING BAND

## The Red Raiders Marching Band

Dear Seniors,

Thanks and Good Luck! I enjoyed this year with you through it all: good and bad, rain or shine, win or lose, wimpy or hefty! We've come a long way since September. Keep your pride next year and always!

TOGETHER ... IN ... OUT  
... BACK ... UP ... WITH  
PRIDE!! WITH PRIDE!!

Ms. J. Murphy.

To My Seniors,

I have known many of you for nine years. I watched you grow from little kids to young women and men who have an extremely bright futures whether it be in music or computers.

Thank you for your years of dedication that payed off with two first place trophies and one third place. If any group of musicians deserved those trophies, it was you.

Remember old U.T. — on cold parade days — on rainy Saturday mornings — during competition season. Know that the new “babies” I will be training have inherited your never-ending spirit and pride. Yours Always, U.T.

**Top:** Drum Majors: (L-R): Geno Fourniere, Kris Lariviere, and Kyle Nash.

Color Guard (top) and the '86 Percussion Section (bottom)

Past years, the color guard has worked hard during many summer, school, and Saturday practices. And again their efforts have paid off. But the fall season they have backed the band visually on the field and on the band and the football team in the stands. During the three this year, the band has walked away with first place and best color third place, and fourth place. After this great season they are on a trip to Canada for both work and fun.

**Top:** Color Guard Seniors '86

I thank the members of the '86 drumline for a most enjoyable year. We made into corps style drumming put a lot of demand on the individual player. Only your hard work and dedication enabled you to learn new style. You should all be very proud in knowing that the '86 performed at a level far beyond that of any other drumline the band ever had. While I look forward to great things in the future, I will miss the leadership and help the seniors gave me. Thank you Ted, Tod, Jeff, and Nancy.

Dear Seniors,

Being able to coach varsity with such a talented group of girls made this year great. The season may have started a little slow but once we started working as a team we really got moving. The 4-0 and 4-1 wins against Durfee sparked the confidence that our defense needed. The year's defense was excellent. By the end of the season we were named as one of the best defensive teams in our division, with 13 goals scored and only 14 scored on us.

This special group of seniors showed such a wonderful attitude and desire that I hope will pass on to the younger players.

Sincerely,

---

**Top, (L-R):** Karen Crocker, Megan Thomas, Cathy Crocker, Jennifer Rogers, Cathy Wilson, Brenda Bishop. **Front, (L-R):** Cindy McCarthy, Mary Curley, Brenda Leeman, Kim Dyer, Becky Leeman, Ronnie Leeman.

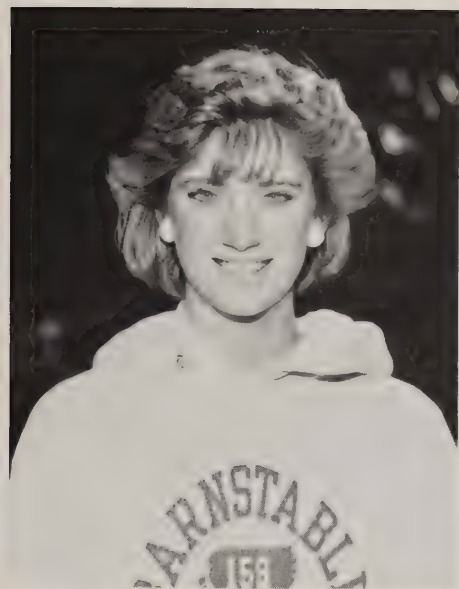

The Girls Cross Country team finished the season with a 3-4 win/loss record in the tough Southeastern Mass. Conference. The girls finished 16th out of 35 Div. 1 teams at the state meet. They were led by captain Cathy Crocker who finished 44th out of the 245 runners.

Other leaders on the team were junior Karen Crocker, senior Kim Dwyer, junior Mary Curley, and junior Brenda Bishop. The Barnstable girls placed 7th out of 12 teams at the league meet. Now on Barnstable's "top ten list" are Cathy Crocker first, Karen Crocker seventh, Mary Curley eighth, Kim Dwyer ninth, and Megan Thomas tenth. The girls on this list are those girls with the ten best times on Barnstable's home course over the past eight years.

L to R: Joey Kourafas, Joe Sears, Paul Rhude, Steve Fernandes, Mike Yoo, Scott Corbett, Chatham Fawkes, Bill Schofield.

In the final season of Coach Kyle's 18th year career of coaching cross country, the Barnstable Boys showed that they had the "Right Stuff!"

After a grueling 2-5 league record, they bounced back with an awesome 5th place finish in the Division II State Meet, equalling the best ever finish by the boys' team.

The leaders this year were senior Captain Scott Corbett, who was 15th of 215 Division II runners from 31 schools. Junior Joe Sears, the top runner on the team this year, finished an amazing 63rd at the state meet. Rookie of the year, senior Joey Kourafas made an impressive debut, finishing 44th and adding some real personality to the team. Senior Chatham Fawkes, who made a great comeback from last year's missed season due to injury, finished in the top ten of every dual meet this season. Rounding out the top five, sophomore Steve Fernandes survived the state meet, although he was injured. He helped capture fifth place state meet finish for his team.

This year's Volleyball Team experienced its finest season ever! Finishing with a 15-2 record overall and a 9-1 SMC 2 League record; the Girls' Volleyball team captured their first league championship.

This team also accomplished several other "firsts" during the 1986 volleyball season. They swept the D.Y. volleyball team twice during regular season play, and twice they beat Bishop Feehan H.S. (Feehan had eliminated B.H.S. last year from post season play). For the first time Barnstable hosted a volleyball high school tournament game, and before a capacity crowd on Monday, November 10 at 7:30 PM the girls played a two and one half hour 3/5 match downing Bishop Feehan H.S. 3-2 and advanced to the semi-final round of the tournament.

To the four seniors who led the team this season, Kane, Crawford, Capers, and Whittlesey: we'd like to wish you the best and say congratulations on a great season.

For four years Mike Faria and Malcolm Smith have devoted all their winter afternoons and vacations to the Red Raiders. Their dedication has inspired the entire team. Mike's leadership on the court has often turned the tide toward victory while Malcolm's rebounding has kept the score within reach. The team's two outstanding seniors have demonstrated the skill and spirit necessary for a memorable four years at Barnstable High.

The Girls' Basketball Team experienced many "firsts" during the 1986-87 season. For the first time the girls played a full twenty game schedule, with all ten home games played at night. They also, pulled off a big win over Falmouth, for the first time in many years.

This 1986-87 BHS team was led by Tri-Captains Shannon Crawford, Erin Gobeil and Beth Kane. Along with another senior trio of Tara Schiffmann, Cara Paradise, and Marci Goldman, the Barnstable team of 1986-87 proved to be one of the strongest teams in the SMC2 Division.

Expectations ran high in the beginning of the season with six seniors and seven juniors returning to the basketball court for BHS. However, with the first six games being played "away" against tough Division SMC1 teams and with a few early season injuries, the girls' team got off to a shaky start. But once we got into the league schedule, team play improved every game and things looked better and brighter. The big Falmouth win was the turning point of the season and the BHS girls went on to compile one of the best records in girls' basketball at BHS in recent memory.

Barnstable High School's varsity 1987 baseball team composed of Mark Buckler, Gary Taylor, and Tim Lus, anticipated their best season yet this spring. With Gary's strong pitching and hitting, Mark's fielding and base hitting, and Tim's power hitting and speed on base, the high school fans witnessed a spectacular season. For four years these veterans have been leaders on the squad. Coach Boger can certainly be proud of his championship team.

To The Team,

Four years ago I accepted the position of head softball coach at Barnstable High. The team I inherited was comprised of ten seniors and three juniors. Many of these athletes were of all-star caliber; however, the total team performance never materialized into an outstanding unit.

Realizing the next season would represent inexperience in practically each position, I decided to go with underclassmen for the varsity team. Our youth and inexperience was obvious in the first half of the season. Numerous errors and 127 runs against us earned us the nickname "The Bad News Bears." The fact remains that the commitment, team effort, and hardwork by the team after these losses was reflected in the outstanding second half of the season. In the second half, Barnstable won three games and lost two exciting last inning games by one run, plus the unforgettable **NINTH** inning defeat at D-Y. The quality of play the second half of the season erased their nickname.

Last year, the excellence established the year before continued as six members of the team-Beth Kane, Beth Fulcher, Shannon Crawford, Felice Cohen, and Janice Macomber-were selected as members of various all-star teams.

This outstanding team performance and unity established last year will hopefully continue this coming season behind the superb leadership of our senior members-Beth Kane, Shannon Crawford, Peggy Capers, and Cara Paradise.

I wish the softball team continued excellence in their upcoming season and most importantly in their futures.

# GOLF

Coach Cliggott, **Back Row** : Sean Hallet, Mark Curly, John Weir, Scott Medeiros, and Andy Wieners **Front Row** : Brad Sampson, Kip Lewis, Bill Driscoll, and Jay Modry

Dear Team,

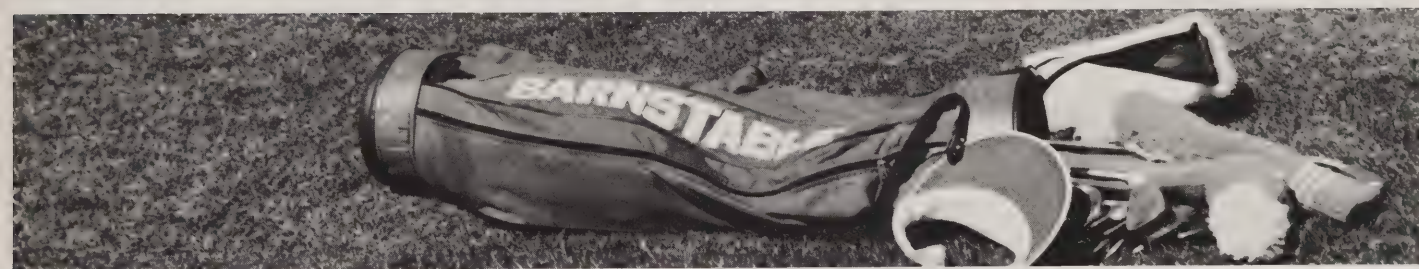

Our 1986 golf team had an average season with only one player returning with varsity experience. The 1987 team led by Andy Wieners, Sean Hallett, Scott Medeiros, and Kip Lewis looks forward to a much improved season. A new scoring format using the six lowest scores of eight players will make the 1987 season different from any in the past.

# GIRLS' TENNIS

**Back Row:** Laurie Nelson, Joy Coletti, Krista Chamberlain, Coach Wayne Miles, Bridget Burger, Rosemary Komenda, Chessy Falacci **Front Row:** Faith Hoffmann, Colby Dowling, Lisa Breen, Angela Cloutier **Below:** Mr. Miles-recipient of the "Coach of the Year Award."

Dear Team,

Our 1986 team had its most successful season ever, winning two matches in the state tournament before losing a 3-2 decision in the South Sectional Quarter-finals to Marshfield. Our team was young — the final matches were played without any seniors.

The 1987 squad figures to have a nucleus of underclassmen, also, with returning number one singles player, Krista Chamberlain, considered to be the top player on the Cape in 1986. The number two and number three players, respectively, junior Lisa Breen and sophomore Angela Cloutier, are back. At doubles the experienced duo of seniors, Rosemary Komenda and Laurie Nelson, will be difficult to unseat, but returning captain senior, Bridget Burger, sophomore Colby Dowling, and junior Faith Hoffman may pose a challenge. I am looking for another good year and figure that Barnstable will be the team to beat on the Cape in 1987.

# BOYS' TENNIS

**Top Row L To R:** Dave Freedman, Jon Piantes, Ted Komenda, Jed Hazard, Chuck Steincamp, Geoff Smith, David Prothero. **Front Row:** Sean Maloney, Scott Stevens, Dave Anderson, Jason Boehk, Trevor Hayward, Tim Weber, and Andy Northup.

Dear Team,

Forty-eight straight and counting! Will the beat go on? Undeclared in regular season matches for the last three years, the 1987 edition of the boys' tennis team has a lot to live up to. Replacing talented senior graduates is always a challenge and this year is no exception. With Jason moving on to Brown, everyone must move up a notch or two on the ladder. Our winning tradition will only carry us so far. Every team on our schedule will be gunning for us. Are you willing to put in the time necessary to improve your game enough so that the elusive South Sectional Championship can be ours? Can you get that first serve in under pressure? Can you cut down on your unforced errors? Can you play in the round? And above all can you dig deep in the third set when the match is on the line?

*Mr. Norman*

Dear Team,

Seniors always have a great deal to do with the character of an athletic team. Operating on this premise, the 1987 Girls' Track Team should be outstanding.

This year's seniors have been the heart of this program since their sophomore year. With Captains Cathy Crocker, Andrea Fiset, Erin Gobeil, and Claire Whittlesey, the class of '87 has helped create the dedication and spirit that makes our "FAMILY" special.

We have had success in the past, and we will continue to do so. The girls of '87 will be part of the total picture. They were participants in the victories of the past — and their spirit will live on in the victories of the future.

Dear Seniors,

Although the boys' track team had a disappointing 1-7 (w-l) season in a very tough and competitive SMC Div. I, there were still many outstanding performances. Troy Stewart was high scorer for the season, getting points regularly in the long jump, triple jump, and 4x110 relay. Scott Corbett has improved immensely since last spring and has run a P.B. of 4:38.9 in the mile. Joey Kourafas, in only his first season of spring track, ran P.B.'s of 10:49 in the two mile and 4:46 in the mile. Joe Sullivan was the top weight man, scoring points regularly in the shot put and discus; Eric Benton, a newcomer to track and field, was our top javelin thrower. Rob McGorty improved tremendously over the season and ended up as the number two weight man on the team. Tim Bell was versatile and scored in the long jump, 100 M, and 200 M. Dan Powers ran the low hurdles with a P.B. of 46.6 and Chatham Fawkes, a much improved distance runner, was our top half miler.

# Windjammer Lounge

The Windjammer Lounge features delicious jumbo deli sandwiches and excellent daily luncheon specials. Our kitchen is open until midnight. We have an excellent Sunday Brunch and a munchy menu featuring potato skins - fresh fried zucchini - nachos - or honey-dipped fried flappers.

We have entertainment seven nights a week featuring the oldies but goodies.

Our downstairs game room features the latest video games, juke box and, of course, pool.

The crew at the Windjammer is eager to serve you. Savor our award-winning chowder and homemade soups.

Come aboard!

Our yearbook theme has been "Anchors Aweigh," to symbolize our transition from the familiar port of Barnstable High School, to the open shores of "The Real World." Whether our futures hold college, work, the military, or professional school, we are all in the same boat: we're excited, and a bit nervous. Perhaps "pleasantly petrified" is a better description. At any rate, as we set sail toward our various goals, we go well-equipped. We bring with us the supplies we have gathered during the past four years: the friendships we've made, the knowledge we've gained, and always, the memories of it all.

Best of luck to each member of the class of '87 as we begin our quest for success!

BON VOYAGE!

Thanks!

Love,  
Stephanie
